Tree and/or brush cutting is strictly prohibited on Cannon and Mittersill. Please leave trail maintenance to the professionals at Cannon.

**CANNON MOUNTAIN FACTS** Trails & Glades: 97 Lifts: 11 Vertical Drop: Cannon: 2,180' Mittersill: 1,800' Total Trail Mileage: 25 miles Longest Run: 2.3 miles Skiable Acreage: 285 (Cannon: 185 Mittersill: 100) Snowmaking: 191 Acres Annual Snowfall: 160"

**NOTE** If you choose to ski or ride Cannon Mountain/Mittersill glades, please be aware of the following:

- These trails present additional unique risks inherent in woods skiing and riding.
- Only upper-level expert skiers and riders should attempt this difficult terrain.
- You should only attempt these trails if you are willing to fully accept all risk of injury and/or death that may result.
- These trails are not maintained and trail areas are not defined.
- Rescue into this area will likely be delayed due to the unique nature of the area.
- Please respect closed ropes and closed trail designations. Stay on open trails only. Skiing/riding on closed terrain can result in a loss of privileges.

**BE AWARE** grooming & snowmaking routinely in progress

**YOUR RESPONSIBILITY CODE**  
Skiing can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross country and other specialized ski equipment such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the following code and share with other skiers the responsibility for a great skiing experience.

**Know the Code—It's Your Responsibility.**  
(This is a partial list; be safety conscious. Officially endorsed by the National Ski Areas Association.)

- Always stay in control, and be able to stop/avoid other people or objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- You must not stop where you obstruct a trail or are not visible from above.
- Whenever starting downhill or merging into a trail, look uphill and yield to others.
- Always use devices to help prevent runaway equipment.
- Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
