WARNING:

Warning! New York Law finds that alpine skiing is both a major recreational sport and major industry within the state of New York. The legislature further finds: (1) that downhill skiing, like many other sports, contains inherent risks including, but not limited to, the risks of personal injury or death or property damage, which may be caused by variations in terrain or weather conditions; surface or subsurface snow, ice, bare spots or areas of thin coverage, moguls, ruts, bumps; other persons using the facilities; and rocks, forest growth, debris, branches, trees, roots, stumps, or other natural objects or man-made objects that are incidental to the provisions or maintenance of a ski facility in New York state; (2) that downhill skiing, without established rules of conduct and care, may result in injuries to person and property; (3) that it is appropriate, as well as in public interest, to take such steps as are necessary to help reduce the risk of injury to downhill skiers from undue, unnecessary and unreasonable hazards, and (4) that it is also necessary and appropriate that skiers become apprised of, and understand, the risks inherent in the sport of skiing so that they may make an informed decision of whether or not to participate in skiing notwithstanding the risks. Therefore, the purpose and intent of this article is to establish a code of conduct for downhill skiers safety in the downhill ski industry. [Safety in Skiing Code 18-101---18-108]

Please Note: It is unlawful to access Hunter's lifts without a valid lift access card or season pass. Skiing or riding without a lift access card or pass or with a fraudulent lift access card or pass may result in prosecution. Lift access cards are nonrefundable. Please Note: It is not permitted to bring open containers on the lift or be under the influence of drugs or alcohol while in the lift line or on the lift. Please Note: It is also illegal to eject any objects or material from passenger tramway, Article 18 Safety in Skiing Code (18-104). Violation of these policies and laws may include but are not limited to removal from the resort, pass suspension, no trespass order, and any appropriate legal action. First Aid Services: For immediate assistance and to report all accidents, please call the Ski Patrol at (518-263-3800). Emergency Phones are available with all lift operators. All parties involved in a collision must exchange information and contact the Ski Patrol. Slow Zones: Certain areas (indicated on the map in yellow) are designated as SLOW ZONES. Please observe the posted slow zone areas by maintaining a speed no faster than the general flow of traffic. Space and speed are especially important in these areas. Fast and aggressive skiing will not be tolerated and may result in termination of your resort privileges.

epic MIX

NEW

Find My Friends. Now on EpicMix.

Now you can easily see where your friends are on the mountain all day long.

Available on the App Store and Google Play

- Your Responsibility Code**
- 1 Always stay in control. You must be able to stop or avoid other people or objects.
 - 2 People ahead or downhill of you have the right-of-way. You must avoid them.
 - 3 Stop only where you are visible from above and do not restrict traffic.
 - 4 Look uphill and avoid others before starting downhill or entering a trail.
 - 5 You are responsible to prevent runaway equipment.
 - 6 Read and obey all signs, warnings, and hazard markings.
 - 7 Keep off closed trails and out of closed areas.
 - 8 You must know how and be able to load, ride, and unload lifts safely. If you need assistance, ask the lift attendant.
 - 9 Do not use lifts or terrain when impaired by alcohol or drugs.
 - 10 If you are involved in a collision or incident, share your contact information with each other and a ski area employee.

PARK SMART

- START SMALL** WORK YOUR WAY UP. BUILD YOUR SKILLS.
- MAKE A PLAN** EVERY FEATURE. EVERY TIME.
- ALWAYS LOOK** BEFORE YOU DROP.
- RESPECT** THE FEATURES AND OTHER USERS.
- TAKE IT EASY** KNOW YOUR LIMITS. LAND ON YOUR FEET.

FREESTYLE TERRAIN

Freestyle terrain areas are designated with an orange oval and may contain a variety of constructed or natural terrain features. Prior to using freestyle terrain, you are responsible for familiarizing yourself with the features and terrain and obeying all instructions, warnings, and signs. Freestyle skills require maintaining control on the ground and in the air. Use of freestyle terrain exposes you to the risk of serious injury or death. Inverted aerials are not recommended. You assume the risk.

Freestyle Terrain

This orange, oval symbol designates freestyle terrain such as parks and pipes. Smart Style represents freestyle terrain safety. Know it, respect it, use it!
