

The Orange Chairlift provides convenient access to the Backside area. Smart Style is available at the Sierra-at-Tahoe Ski Resort. See the Sierra-at-Tahoe website for more information.

Make a Plan.

Every time you use a lift, please make a plan for each lift. You will need to know the location, direction and status of each lift before you board.

Look Before You Leap.

Be sure to look for signs that indicate trail conditions, lift status and other important information before you start your run.

Easy Style It.

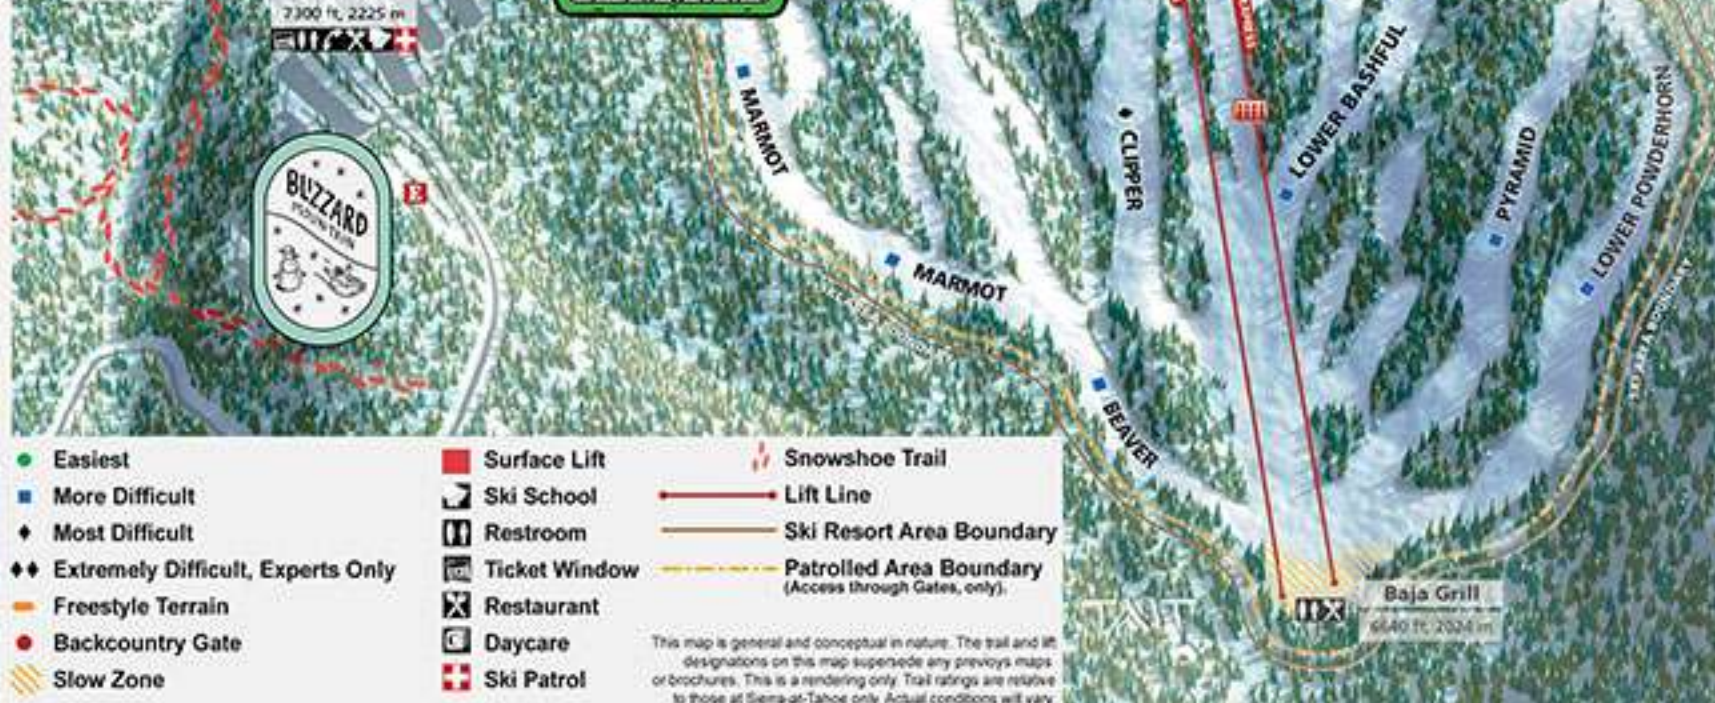

Don't drink and drive.

Respect Gets Respect.
